PSA-ARMM conducts Training/Briefing on Fisheries Survey, FPS and FPAS

Date of Release: **March 06, 2018**
Reference No. **2018-001**

PSA-ARMM conducted the Training/Briefing on the Quarterly Fisheries Survey, Monthly Farm Prices Survey and Quarterly Farm Price Aggregated System last February 21 - 22, 2018 at PSA-ARMM Regional Office, Cotabato City.

This training/briefing serves as a refresher for the participants, especially for the personnel of Lanao del Sur and Maguindanao. It was participated by Regional and Provincial Focal Persons with other statistical personnel to update their knowledge about FPS, FPAS and Fisheries. Under the Farm Price Survey (FPS) are Crops, Backyard and Commercial Livestock, Backyard and Commercial Poultry and Culled Chicken Layer. Fisheries sector is composed of Aquaculture, Commercial and Municipal subsectors.

Ms. Marilou A. Gorospe, Statistical Specialist II and Regional Focal Person on AgStat presented the FPS on the first day of the training. On the afternoon, FPS Processing was discussed and the participants were given a workshop to be familiarized the use of the compiling systems. Fisheries and its sectors were discussed on the last day of the training.
